

- **What have we worked on?**

We added demographic data into our analysis, and changed the results into mappings of each election for each race/ethnicity group.

- **What will we be working on next?**

For deliverable 3, we will expand more on the analysis and add income data

- **Have we run into any issues? Do I need help?**

No Issues.

- **Have we talked to the client recently? When are we meeting with them next?**

We have met with PM as clients were busy this week. Next meeting is undecided yet, but should be on 29/3 week.
